Volume LXXVI Issue I

Spring 2012

CORRECTION

Attached is a picture from summer 2010 . Pictured are Mari -Lynne Mouch Henry, Ann Marie, Petra Reyna, and Lynn Eisenman from the class of '76.

I was in the class of 1976 prior to the college's closure in the spring of '75. My name is Mari-Lynne Mouch Henry. Mari-Lynne is my first full name, Mouch is obviously my maiden name. I was reading the current MMC Alumni newsletter and saw that my picture had one of my classmates names attached to it. Some one mixed up the photos with the names and dates they were taken. Just thought maybe it could be corrected in the next newsletter?

Thanks, Mari-Lynne

Class of 1976: This picture was taken in 2005. Ingrid Egeland Loukota, Lynn Eisenman, Ann Marie Packo, Petra DeHoyos Reyna, and Cindy Bickley Jenney.

Ed. Note: It was nice talking with you Mari-Lynne. Thanks for clearing up the confusion.

Hi Judy,

Hello. My name is **Mary Helen McCarty Chachere**, '61 and I just this minute discovered that I've been "lost, misplaced or deceased"! I found the Mary Manse site when I googled in my name and there you were!!! I had no idea there was a newsletter and it was fun reading it although I know so few of the names.

I moved to Houston right after getting married in Toledo in 1978. We lived here a very short time before Barry received a transfer with Gulf Oil. We spent three years in New Orleans (during the time of the World Expo) then returned to Houston. We had no children. I have done a lot of volunteering and at present am president of our church's 55 Plus group.

My husband died three years ago but his brother and my sister live in Texas so at least that helps some.

It looks as though you are doing a tremendous job in your search for alumni and I wish you all the best, (Judy sent a return e-mail.)

Thank you for answering so quickly! I see you taught for a number of years also. I was at St. Ursula Academy for 18 years and it turns out that one of the students there at the same time is now employed at my church here in Spring, TX. Small world. I'm looking forward to receiving the newsletter and thank you so much for sending it. Have a wonderful and happy Thanksgiving.

Dolores Ehrenfried '53 (was Bodie, husband deceased) New married name is **Proctor**.

Hi! Just rec'd my newsletter and noticed that my name is not correct. It is **Mary Anne Fackelman-Miner '70** I have never gone by just Miner. Thank you for correcting this.

Also, we are moving on February 20th to Hawaii but I do not yet have an address. If you can send the newsletter digitally, that is great and will save you postage!

Cheers and Happy Holidays, Mary Anne.

Susan Hahn Burnett '74, wrote a short note that after her husband Allen passed away, her house was too big for one person so she moved to a smaller place. (see her new address in the *We're Movin'* column.)

Louis Wasn't Lost, He's Just Known as Rick

Hello,

I am responding to the recent newsletter item indicating that I am lost, misplaced or deceased.....I received my newsletter posted to Mr. & Mrs. Rick Sulewski. I most often go by my nick name, Rick, even though my first name is Louis. That arrangement proves to serve me very well in this day of Google searches!

Thank you for reminding me about some reflective memories each and every time we read the Mary Manse Alumni Newsletter.

I am one of the 3 full time male students enrolled at Mary Manse in 1969 who graduated in 1973. There was a time when I worked the desk at the dorm on weekends and I also worked as a grounds keeper and custodian during the summer months as a second summer job.

I met my wife, Maria (Ensign) at Mary Manse in 1970 while she was enrolled as a freshman after graduating from St. Ursula Academy . We have been married for 39 years. Maria's career as a Registered Nurse spanned 25 years.

My sister Pamela introduced me to Maria when they were both freshman. Pam graduated from Mary Manse in 1974. I also have two other sisters who attended/graduated from Mary Manse. Mary Manse was a logical alternative for me since I lived in Michigan and the costs were less than the expense of "out of state" tuition. I was interested in obtaining a degree in education and attending a "women's college" did not provide me with any distractions (because of having so many sisters), until I met Maria.

I retired from Ohio public education service 9 years ago having served as a youth counselor, teacher, principal and school district superintendent over 31 years. I received my Ph.D. from the University of Toledo in 1985. Over the last decade I traveled around the country providing quality improvement systems-based consultation & training services to schools & districts. We reside in Sandusky .

We have 2 children. Our 4 grandchildren understand a second language because Shannon's wife, Elwira, is from Poland and Caroline's husband, Gorav, is from India.

Thanks for the opportunity to provide you with an update.

Rick

FYI- Just so I do not run afoul of my wonderful sisters who all attended or graduated from Mary Manse College: Joanne (Sulewski) Wayton graduated (not certain of the year and Joanne is traveling, but your records may more accurately reflect the year). Marilyn (Sulewski) Lewandowski graduated in 1967. I graduated in 1973. Pamela (Sulewski) Wayton graduated in 1974 (Yes, she married Joan's husband's brother). And, Janice (Sulewski) Masters attended her Freshman year and the following year MMC closed. Hope this additional information may prove to link the Sulewski family to more than a decade of Mary Manse Alumni.

Memorabilia Donated to Alumni Association

In January, Hilda Sailer Savage '49 gave a pin to Judy Biehler Miller '69 and told her it was given to her on the day of graduation at Mary Manse when Hilda was a junior in 1948 by a friend whose name she had forgotten. After examining the pin and finding the initials EH on the back, Judy discovered it must have belonged to Esther Hill '48.

Hilda recalled that Esther told her she wanted her to have the pin because they had become friends. Judy searched through some Mary Manse records and found out that Esther entered the Visitation Convent and had been in Georgetown, Kentucky and her last address that was in our records was Springfield, Missouri in 1968.

After several phone calls to Visitation Monasteries in Toledo, Philadelphia, and Washington, DC, the mystery was solved with the help of Sr. Mada-Anne, archivist at the Georgetown Visitation Monastery in DC.

Sister Jeanne Marie Hill, formerly Esther Hill '48, is living at the Monastery of the Visitation in Snellville, Georgia. Hilda and Judy have both written to Sr. Jeanne Marie and are hoping to receive word back from her. As far as the beautiful blue pearled pin, it seems as if it was an item that could have been purchased at an extra cost from the college. Hilda has generously donated it to be placed with other Mary Manse memorabilia. We are grateful to her and Sr. Jeanne Marie for this wonderful piece of the spirit of Mary Manse College. (*Stay tuned for the rest of the story!*)

Char Kreuz, '55 is a prolific writer and keeps us up to date on many of her acquaintances and friends who graduated from Mary Manse. **Sally O'Connell '55, Carol Welter Zenk '56** and Char do a carry-in picnic at the Ursuline Center to keep up with classmate **Sister Justine Hill '55. Pat Cousino Shymske '56, Carol Welter Zenk '55** and their husbands gather at Char's in February to enjoy an adventure in The Villages, FL.

Not much else to report except that we are blessed to receive lots of e-mails from **Rosalie Carr '55, Pat Dickey '55 and Mary Kay Moebling Miller (assoc.)**

Jane Gerdeman Seggerson '70 writes from Lima, Ohio that her mother-in-law passed away-**Judy McLaughlin Seggerson '37.** Janie

sends Holiday Greetings to all her classmates!

As you notice, writes **Tish Parker Kaiser '49**, our address is different(see addresses in this issue). We didn't move, the Post Office changed our address! We still enjoy living in Florida-since we are in the northern part, we do get cooled off in the winter.

Joann Gryczewski Polus '59 keeps busy with all 14 of their children and grandchildren who live in McKinney, Texas. Six of their son's 12 children are special needs-all from China. The latest, 5 year old Jin, has no arms. They also enjoy their great-grandson. With all this, she also is involved at their church, St. Jude's!

Patty Geis Cafferty '72 writes that her Mom, who turned 89 in February, lives with them but has several health issues. They have much quality time together which Patty is grateful for. Patty

is planning on attending the MMC reunion on April 29.

From **Carol Schimmoeller Youngpeter '74** Dale & I recently moved to Wheaton, Illinois, for his job. We hope to return to Michigan upon his retirement.

Our two sons, daughter-in-law & two beautiful grandchildren live in Michigan.

Before our move I was a nanny. Now retired, making our condo comfortable, reading, cooking, stitching & the computer keep me busy. Eager for spring to arrive so we can meet more of our new neighbors. I will also be looking for volunteer opportunities.
